

# All Hands In Report Out Tool

## Strategic Priority

**Collaborate, communicate, and engage together as ECAC partners to improve school readiness**

## Actions

### List the action being worked on:

1. Create a structure for ECAC & ECW that:
  - Outlives changes in administration & leadership- this is an ongoing process and is determined each year at annual retreat and throughout the year as needed as persons may leave positions or organizations.
  - Maintain accurate and up to date attendance records / assuring that member are representing organizations that align with organizations that need to be at the ECAC table
  - Is aligned & coordinated & not duplicative - this is also an ongoing action that is looked at annually
  - ECAC will continue annual retreats regardless if the Mayors Office gets leadership and has a different agenda we will continue our work.
2. Put agreement between ECAC & ECW in ECAC by-laws - Imani is working on this item and a draft of the amended by-laws will be ready to share at next ECAC meeting
3. MOCFS new Executive Director Dr. Debra Brooks has agreed to have someone from the MOCFS as a part of ALL HANDS IN.
4. Yolanda will continue to meet bi-weekly to coordinate & integrate MOCFS representative
5. All Hands In will create and share an ECAC report card. The plan is to track our progress overall

### What work has been done:

All Hands In has meet with new leadership at MOFCS and we had a great 1st meeting and there is a desire for lots of engagement with ECAC

Baltimore City ECAC presented at last State Board and heard a great presentation from Anna Arundal County ECAC. All hands In will meet with them on Friday September 16, 2022. Our goal is to work collaboratively with other ECACs to move Early Childhood work in the state of Maryland.

### What else is needed to move this action further or complete it:

- Draft sample by-laws to include partnership with Mayor's Office
- Draft a report card template to grade the overall progress of the ECAC

-  
**Any new actions as a result of working on this action:**

**Any items ECAC needs to vote on? No**  
**If so we need background info included**

### Performance Measures (Targets)

With the work being done on this action does it move us closer to our performance measures?

Are the additional performance measures / targets that we need - yes this will be determined via use of report cards for the ECAC
