

Open Heart Report Out Tool

Strategic Priority

Engage families and build community support for early childhood development and school readiness

Actions

List the action being worked on: Milestone document for print and website

What work has been done: The workgroup determined the priorities for the infographic - what are we trying to convey and who are we trying to reach?

- Infographic priorities: should be colorful, use activities to drive understanding of domains/milestones, create space for resources, QR codes, simple but a good use of space
- Selected all milestones and domains

What else is needed to move this action further or complete it:

- Coordinating with a designer to help us create our vision.
- Conducting several in-person meetings to help stimulate brainstorming and keeping everyone engaged in the work.

Any new actions as a result of working on this action: Workgroup is currently working on adding corresponding activities to each domain and milestone

Any items ECAC needs to vote on?: No
If so we need background info included

Performance Measures (Targets)

With the work being done on this action does it move us closer to our performance measures?

Are there additional performance measures / targets that we need?
