

## Strong Backbone Report Out Tool

### Strategic Priority

Strengthen the system of early childhood supports so that it is accessible, equitable, and directly linked to family needs

### Actions

**List the action being worked on:** Trying to hone in on “What problem do we want to solve as a workgroup”.

**What work has been done:**

- Reviewed notes from the ECAC retreat
- There was a presentation from the Baltimore City Health Department around increasing access and awareness of child care option due to the review of the fetal infant mortality, there were a number of tragic situations occurring to families to not having access to child care at the last meeting.
- Ideas to explore: possible Early Childhood Conference/Expo inclusive of child care, family child care, and the school system. Continuing ECAC Campaign (promoting the scholarship, working with Open Heart on Family Engagement), possible actions/goals for the group

**Things done:** ECAC was represented at BCCRC’s Emotional Wellness Conference, Imani was on the Panel for How does the Blueprint/Mixed Delivery Impact my Child Care Business at BCCRC’s Emotional Wellness Conference

**What else is needed to move this action further or complete it:** At the next meeting, really hone in on actionable goals that can be completed along with co-chairs as well as members.

**Any new actions as a result of working on this action:** Members will need to spend some time reviewing recommendations that were listed from the retreat.

**Any items ECAC needs to vote on?** N/A

**If so we need background info included**

### Performance Measures (Targets)

With the work being done on this action does it move us closer to our performance measures? Trying to create actionable goals, so that we can track items successfully.

Are the additional performance measures / targets that we need?
